

**1160 AM
WMET**

Catholic Radio for Your Soul!

The **Guadalupe Radio Network** is excited to announce our 14th Catholic Radio station is WMET 1160 AM, reaching Washington DC, Western Maryland, Baltimore, and Northeastern Virginia. This great station reaches a population of 5,000,000 people from sunrise to sunset with 50,000 watts of power, and 1,500 watts of nighttime power.

For the first time ever you can now hear the best Apologetics, family-oriented programs, and news from a Catholic perspective. You will also hear live local news and other informational programs to enrich your faith. But, we need your help in this amazing work of sharing the Catholic faith through the media of radio. We need an army of volunteers to help in many different ways, so if you would join us in the great mission of evangelization through the medium of radio please call the Director of Community Relations, Jessica Lanza.

We are depending on the lay faithful to help support this great effort of evangelization in the Washington DC Metropolitan area. Please prayerfully consider donating and volunteering, and please keep this project in your prayers. Visit our website and donate online at www.grnonline.com. Please share the great news with your family and friends.
